

VENEZUELA

The Postal-Fiscal Stamps of 1871-1876

These stamps were made available for postage and revenue by official government decree. They were the only stamps sold for postage from March 1871 to August 1873.

Due to a lack of cancellation devices, most of these stamps were cancelled by pen marks. Fiscal cancellations were also made with the pen.

Nine different setting of the overprints exist.

The Postal-Fiscal Stamps of 1879 and 1880

In 1879 and in the early part of 1880, there were no regular postage stamps in Venezuela, and the revenue stamps inscribed "Escuelas" were permitted to serve for postal as well as revenue purposes. The 1879 series was imperforated and the 1880 issue was perforated 11.
